

## PAYS TEN DOLLARS FOR "FREE" LUNCH

Court Teaches Holland That a  
Help-Yourself Cafe Is  
Run for Profit.

It cost Arthur J. Holland, a real estate dealer of No. 22 East Fifty-third street, ten dollars today for a dinner he ate last night, the actual cost of which was \$3.19. Holland paid the ten dollars as a fine in Centre Street Court after a charge of disorderly conduct preferred by James Quinn, manager of a cafeteria at No. 23 Cortlandt street.

Holland went into the cafeteria last night and saw the counters filled with good things to eat. Holland helped himself to everything that pleased him and started to leave without paying.

"He ate the most expensive things on the counter," explained Quinn, "and when I handed him a check for \$3.19 he tore it up and threw it in my face, saying that he'd be hanged if he paid for anything off a free lunch counter. I told him to go and get it at any other place. He got angry, so I had him arrested."

"Your Honor, I thought it was a free lunch. I did not know it was a pay place. I thought this man was trying to do me," said the prisoner.

"What did the defendant eat?" asked Magistrate Harris.

"Chicken, potatoes, corn, tomatoes, a steak with mushrooms, three pieces of

pie and—that's all I remember," replied Quinn.

"If you want to eat that kind of food, Holland, you must pay for it," said the court. "Ten dollars fine."

### BARNES CALLS COMMITTEE.

ALBANY, Jan. 11.—William Barnes Jr., chairman of the Republican State Committee, has issued a call for a meeting of the committee to be held in New York next Saturday at noon for the purpose of fixing a place and date for the spring State Convention of the party at which delegates will be elected to the National Convention at Chicago.

Rochester wants the convention, which probably will be held early in April.

### Dandruff Germs Are Responsible

Badness and Most Hair Troubles Due to This Parasite Which Destroys Hair Roots.

Everybody wants to be bald! But a neglected scalp means, first, falling hair, then baldness. If you are troubled with itching scalp or falling hair, be on guard against dandruff. Get rid of it without delay; check its advance, for dandruff is a germ which feeds upon itself and "feeding grows," destroying the hair roots, so that no new hair growth is possible.

Heinrich's, using HAY'S HAIR TONIC, the newest, scientific Dandruff Cure. It destroys the dandruff germs, eradicates them (keeps out the germ of the scalp) and encourages a quick growth of youthful-looking hair. No unwelcome dandruff scales on your coat collar. No bald spots on your scalp if you use HAY'S HAIR TONIC. W. W. White, pastor Vienna (Md.) M. E. Church, writes: "I have used half a dozen different hair tonics, but I find HAY'S HAIR TONIC the very best preparation I have ever used for dandruff." You can get it at any druggist's for 50c or \$1.00 per bottle, or from the Philo Hay Spec. Co., Newark, N. J.
